From 1st July 2016 the Dorper Sheep Society of Australia is again offering the option of two tiers of membership for full stud members.

Tier 1 is the standard full stud membership of \$350 per year incl. GST (if you do not agree to accept correspondence via email) or \$325 per year incl. GST (if you agree to accept correspondence via email). This membership allows online registrations to be processed at \$6.60 per animal.

Tier 2 membership is an additional cost of \$275 per year incl. GST (therefore to be a Tier 2 member you must pay the full years membership plus the Tier 2 membership fees). If you choose to pay both subscriptions online registrations will be charged at \$4.40 per animal.

If you intend on registering more than 125 sheep per year the Tier 2 option is the most cost effective.

Members are permitted to swap between Membership Tiers each year to allow members the opportunity to get their registrations up to date.

If you are wishing to become a Tier 2 member please sign and return the bottom section of the form below. Please note Tier 2 payment of \$275 must be received before any registrations can be processed at the discounted rate. Any registrations submitted prior to receipt of Tier 2 payment will be processed at the full rate.

I/We wish to register for Tier 2 membership for the 2016/2017 financial year and I/we have made full payment of the standard stud membership of **\$350** per year incl. GST (if you do not agree to accept correspondence via email) or **\$325** per year incl. GST (if you agree to accept correspondence via email), PLUS **\$275** per year for Tier 2 membership.
