Description:	<p>Mountain Creek White Dorpers is a wholly owned subsidiary of BH Agriculture Pty Ltd.</p> <p>Located in Central Victoria, we commenced commercial operations in 2015. We run a commercial flock of 100 White Dorper ewes, producing around 230 prime lambs each year for the local and export meat markets. We produce strong, healthy, fast growing and stress free lambs, sired by top quality stud registered rams.</p> <p>From our many years of hands-on experience and our continual analysis of processor feedback, we have developed a reputation for consistently excellent carcass quality in our White Dorpers.</p>
