DESCRIPTION: Indigo White Dorpers is located 2 hours North of Melbourne just past Violet Town. We produce clean, sound, great shedding, well muscled, full blood White Dorper rams and ewes for the commercial, lifestyle and stud operation. Our sheep are truly easy care for no fuss handling and high productivity. Our focus is to breed sheep for efficient prime lamb and stud animal production whilst continuously improving the outstanding attributes of this breed. For further information on running Dorper Sheep or for any enquiries regarding available stock please don't hesitate to contact us
